Constatine Janos is a fourth grader at Herberich Primary school in Summit County. Constatine really demonstrates the character pillars of respect, trustworthiness and responsibility in his daily life. Constatine has been a teacher's helper for the past three years and comes to school early each day to help set up for the day. He also gives up his short recess to help put things away and organize the classroom equipment. He is very trustworthy and can be counted on to take care of things, even when the teacher is not in the classroom. Constatine plays basketball, soccer and tennis and is a member of the school drama club. He is involved in his church youth group and is training to become an altar boy. He shows a great deal of respect to all of his teachers and his peers and has earned admiration and respect from them as well.

Thank you Constatine for being so respectful to those around you.

Constatine
