## Aaron

Aaron Boles is a 5th grader at Woodford Elementary School in Summit County. Aaron demonstrates that he is a caring and responsible student each day. He is a member of Student Council and works at collecting canned foods and clothing for needy people. He is a peer mediator and a safety patrol member. Both of these activities require him to put the needs of his peers before his own. In his neighborhood, Aaron volunteers his time watching young children while their parents complete chores in their yards or in their homes. While maintaining strong grades in all of his classes, he also participates in soccer, football and is on a traveling basketball team.

Thank you Aaron for being a responsible citizen.
