Hospital

# Crystal

Crystal Coffee, a senior at Canton South High School in Stark County, has demonstrated the character pillars of caring and responsibility. Crystal shows that she cares by giving up her study hall time to be a student mentor and leader of the GAMMA Girls (Girls are Maturing and Mentoring Altogether). Crystal also is a responsible band member. She plays the Clarinet and is a member of the Jazz, Pep, Marching Band. She is a member of Tri-M, the school's music honors program.

Thank you Crystal, for being a responsible person and a positive role model.
