Children's  
Hospital*

# Hannah

Hannah Hawk, a seventh grader at Wadsworth Middle School, demonstrates the character pillars of citizenship and caring. Hannah has participated in numerous fundraising walks to help raise money for causes close to her heart. She also has volunteered for the past four years at the Akron Aeros "Home Run Trot" to raise money for the Juvenile Diabetes Research Foundation. Hannah enthusiastically helps with household chores at home and puts her skills to good use by helping at her grandparents' houses too. Hannah is dedicated to her schoolwork and she strives to do her best. Hannah also plays softball in the spring and runs on the school's cross-country team in the fall.

Thank you Hannah, for having a true caring spirit.
