

Kids with character

Akron
Children's
Hospital

Mary

Mary Carter, a fourth grader at DeWitt Elementary School, has displayed character traits of caring and citizenship during the last few years. Mary has been involved in the American Cancer Society's Relay for Life as a helper for her Aunt's team. This past summer, she became an active participant by walking, working at the booth and raising money. Because Mary's family has been touched by cancer, she would very much like to have her own family team. Mary also helps her father and his company in the Corporate Challenge and often helps her mother around the house. She also helps to care for her little brother.

Thank you Mary, for being so caring and showing great citizenship.
