Hospital

Katie

Katie Knight, a 7th grader at Hyre Middle School, displays the character pillars of caring and citizenship. Katie was overheard offering her assistance to another student who was struggling with a large stack of books. She was willing to help even if that meant being late to her next class. Another time, Katie took time out of her evening to help a teacher untangle a bunch of yarn that had been used in a hands-on lesson the previous day. Katie also helps a child that is hearing impaired by working in groups with him. Katie comes to class daily with a positive attitude, asks lots of questions and demonstrates that she is in school for the right reason... to learn!

Thank you Katie for being such a caring citizen.
