

# Kids with character

Akron  
*Children's*  
Hospital

## Katie

Katie Sloan, a 9th grader at Kenmore High School has demonstrated the character pillars of responsibility, respect, trustworthiness and citizenship. After her grandfather was hospitalized for blood clots he was required to have daily injections in his stomach for two weeks. Every day, Katie would come over and give her grandfather his injections and also do the laundry, clean the house, cook meals and do the dishes. Katie took on this added responsibility in additions to her extra curricular activities at school such as playing in the band, singing in the choir and being in the school play. Katie is also involved in the HIP program (Healthcare in Progress) at school.

Thank you Katie for being such a responsible and caring person.
