## Kyle

Kyle Hotz, a 4th grader from Huntington Elementary School, is responsible, trustworthy and respectful to others. Kyle has been willing to give up several thirty-minute recesses to help a fellow student with math assignments. Kyle loves recess, especially playing football with his friends. For him to give up his recess time to help another student shows what a wonderful, responsible person Kyle is. He is always willing to help others and his teachers find him to be a pleasure in class.

Thank you Kyle, for making a sacrifice to help another student.
