

Kids with character

Akron
Children's
Hospital

Natalie

Natalie Hillyer, a fourth grader at Silver Lake Elementary School, has demonstrated the character pillars of responsibility, caring and citizenship. Natalie is a room buddy to two first-graders. Every week, Natalie and her classmates help their first-grade buddies. Natalie uses her "buddy time" to review weekly spelling lists, read books and help with different kinds of writing assignments. Natalie also gives up her outdoor recess time two weeks a month to help the younger students during their lunch period. Natalie is a member of the Tiger Sharks Swim Team and loves to swim the butterfly.

Thank you Natalie, for being such a caring and responsible citizen.
