## Natalie

Natalie Scarbrough, a 4th grader at Nolley Elementary School in Manchester, has been nominated as a Kid with Character because of the way she acts each and every day. Natalie is always eager to help other students in need and demonstrates genuine consideration of others' feelings. She is a pleasure to have in class because she is always prepared for the new day's lessons. Her homework is always finished and she has a positive attitude toward her academics. In the hallways at school, she shows respect to her previous teachers by saying hello and wishing them a good day. She is a definite role model to the other students and a pleasure to be around.

Thank you Natalie, for being a Kid with Character.
